15<sup>th</sup> June 2020

Dear Parents

I hope you are all well and are enjoying the beautiful weather. Welcome to Week 10 of activities. Please do as many activities as you can. It's lovely to see the activities that are being done at home - remember to keep using the 'hand in' button.

The activities for this week are:

1. Continue to practice your spellings from the lists given. Remember you can always use word pyramids to help you with your practicing! Also remember to have a go at the purple mash game.
2. Maths - this week there continues to be White Rose activities and videos to complete. We continue to have a look at fractions. Remember you can always use items around the house to help the children with fractions e.g. cakes and pizzas.

White Rose:

- Lesson 1 - week 3 lesson 3 - compare fractions
- Lesson 2 - week 3 lesson 4 - order fractions
- Lesson 3 - week 3 - lesson 5 - challenge

3. PE this week continues to be a combination of Joe Wicks, Cosmic Yoga and I have found another interesting dance class to have a go at!

4. Reading continues to be using education city games - there is a folder under homework called - reading. The children can choose an activity they like the look of and complete it.

5. There are some more exciting Maddie and Greg videos to watch with activities to complete from watching the video.

6. History - research rationing and what it was and then write up what you have found using Purple Mash. There is also a video for you to watch about rationing.

7. Spywatch - begin to watch the first 2 episodes of Spywatch (all about world war 2).  
Then create a character profile on Norman.

I hope you enjoy this weeks' activities.

Thank you very much for all of your support.

We look forward to seeing you very soon

Miss Simmonds and the Year 3 team
