Head Teacher: Mrs Paula Fearn

18th May 2020

Dear Parents

Week 7 of home learning - Keep up the hard work! You are all doing a fantastic job!

Reading & Phonics

Please listen to your child read a few pages of a book and talk about the book with them. There is a comments bank on the school website to assist when talking about the book at home and with writing comments in their reading record. I have included a copy of the set 1,2,3 RWinc sounds as well as tricky word bricks. Mrs Hunns also does a phonics session and is uploaded to the school website daily. To maintain the children's attention, each week we will be using a different story - This week we will be using Zog by Julia Donaldson.

Maths

I have also included the links to the White Rose Maths lessons - these are fantastic and there is one each day. This week's lessons are linked to the story Superworm.

Tapestry

I will continue to use Tapestry daily to set out some tasks to complete with your little ones. From what I've seen so far everyone (both grown-ups and children) are doing so well! Please do shout out if you would like any specifics.

At this difficult time, we still need to remember your little people are little and still need to be exposed to the simple things in life!

Thank you for your continued support at this challenging time.

Good luck, Mrs Morgan
