Strategy plan

“I was disadvantaged as a child, yet I had the advantage of being in the company of great teachers.”

(A.P.J. Abdul Khan, 11th President of India)

“Every one of our children is carrying something the world is waiting for – it’s just the world hasn’t got it yet,” Sister Judith Russi

The ‘Pupil Premium’ is a government initiative that provides extra funding aimed at pupils from disadvantaged backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their peers and that there is a strong link between eligibility for free school meals and underachievement. The Pupil Premium is designed to help each school boost the attainment of disadvantaged children and reduce the gap between the highest and the lowest achievers. The government has used pupils’ entitlement to free school meals (FSM) and children looked after by the local authority (CLA) as an indicator for deprivation. The funding is allocated according to the number of pupils on roll who have been eligible for free school meals at any point in the last 6 years (known as ‘Ever6 FSM’), an allocation for each pupil who has been ‘Looked After’ (in care) and a smaller amount for the children of service families.

Principles

- To ensure that teaching and learning opportunities meet the needs of all pupils.
- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil, or groups of pupils the schools have legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated following a needs analysis which will identify priority groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

St Mary's Catholic First School is a one form entry school which has 12% children in receipt of Pupil Premium. We work collaboratively as part of DASP to ensure that all children from EYFS to Sixth form have access to a wide range of learning opportunities and strategies to support them to grow into successful adults to work within the Dorchester community and beyond. We recognise the need to support the children fully by addressing barriers to learning and providing successful strategies which they can use throughout their adult lives.

Ultimate Objectives

- To ensure the children have a sense of understanding of their place in our school community and wider community they live within in Dorchester.*
- To narrow the attainment gap in Reading, Writing and Maths between disadvantaged and non – disadvantaged children in school and nationally at EYFS and Year 2.*
- To ensure all disadvantaged pupils make more than expected progress in Reading, Writing and Maths.*
- Develop oracy skills and provide children with a wide and rich vocabulary which is seen in writing across the Curriculum.*
- To offer disadvantaged children life experiences to enrich every learning opportunity; Author visits, extracurricular clubs, school trips, residential.*

Achieving our objectives

- Quality first teaching across the curriculum, ensuring there are appropriate CPD opportunities for staff including support staff.
- 1:1 and small group opportunities with the class teacher for pupil conferencing and working towards SMART goals.
- Small group and 1:1 targeted support with the HT and HLTA in Caterpillar group to build resilience and work on Reading, Writing and Maths goals.
- Lunchtime club to build resilience and a positive approach to school life and learning, quiet lunchtimes and games.
- Increased opportunities for children to attend extra- curricular clubs in school for eg Archery, Tennis, Drama and Coding club alongside Kids zone and Residential Trips.

Increased opportunities for pupil to have the opportunity to learn and play a musical instrument

- Additional opportunities for wellbeing support; Trick box Star programme, ELSA, Sensory breaks, reading dog.

Small group support: First Class@ Number, Number sense.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	attainment and progress in Reading, Writing and Maths
2	42% of children in receipt of PP are also on the schools SEN register with additional needs which include Speech & Language support from external agencies
3	Low aspiration from Parents and lack of engagement to help their child with learning (Evidence is taken from Trauma Informed Schools, ACES) 21% families receive regular ongoing support at TAF level.
4	Lack or resilience and low emotional intelligence identified in 42% children in receipt of PP
