**Children apple pressing during our Laudato Si Day**

Dear Parents

We have had another great week at St Mary's, our after school clubs are all running & the children are enjoying sports, singing, creative writing, drama, coding & care in the community. Our care in the community group really enjoyed their visit to see the residents of the Culliford House residential home in Dorchester.

Our Chaplains received their Chaplain hoodies this week & are very proud of them.

# St Mary's Catholic First School Newsletter

We welcomed our Reception parents to a workshop about Phonics.

Spring bulbs in our large tyres. We look forward to seeing them grow.

Thank you to the team from SWRAC who donated a box full of apples for our press. SWRAC support individuals to thrive through real-life & relevant education programme to give them skills, knowledge & experience to be resilient, confident & independent.

Today we had our **Laudato Si Day** which has been very special & enjoyed by all the children. Our day started with an Assembly from Sustrans & talking about 'cycle to school' week. Then our activities started which included making posters about the environment, recycling & saving energy, of course our tractor, apple pressing followed by apple juice drinking!

The children have also been learning a new song about looking after the world, clearing leaves from the school field from the willow tree. Some of the willow branches will then be used for weaving.

A couple of our amazing TAs & some great parent helpers have been clearing our poly tunnel so that the children can use this in the Spring. Thank you to all the parents that helped today.

The outdoor area of our Reception classroom has also had a makeover, children have been collecting sunflower seeds from the dead heads for use next year & have been digging & planting

**Plastic bags needed** – if you have any 5/10p thin plastic coloured bags that need recycling, please pop to them the school office next week as we will use them to repair & decorate our poly tunnel.

Our Student Council are: Neve W, Logan, Will, Molly, Minnie, Jesse, Millie & Luka

Our Eco Committee are: Poppy R, Rowan, Freddie, Isla S, Alfie S, Isabella D, George W & Claudia

Well done to all of them, we look forward to seeing their projects come to life.

We hope parents have found the 'Meet the Teacher' sessions useful this week.

## Student Council & Eco Committee

Our Student Council members have been voted in by the other children at St Mary's. They will be working together to show democracy in action, looking at British values & our Gospel Values. They will be showing us that everyone has a voice at St Mary's & can make the world a better place.

Our Eco Committee will also be working together to plan projects for St Mary's which the other children can take part in to improve our environment & the world around us.

Well done to all the children who have cycled & travelled by scooter this week for the

## Streets of Light project

<https://www.streetsoflight.co.uk/>

We have been asked to share the following with you from the Streets of Light Project, please see their website for more information & inspiration. 'We seek to bring change & transformation to neighbourhoods & communities by creating window displays that convey a message of Light, Love & Hope.

For one week, at the end of October, we ask people to create a window display in their home, place of work, a church, a shop – in fact anywhere where there is a window! It's that simple!

## Upcoming Events

We are planning a 'Bling your Bike' day on Friday 25<sup>th</sup> November.

Children are asked to decorate their bikes & bring them into school – some prizes available for the best decorations.

**Harvest & Laudato Si Assembly**  
**Friday 14<sup>th</sup> October at 2.30pm**

**Parents are invited to join us to see what the children have been doing.**
