Our Year 4 Singers at Maumbury Rings

Dear Parents

What a lovely week we have had at St Mary's. The weather has been super, we're so lucky that the children and families are getting full use of the pool.

Last Saturday, our Year 4 children took part in the DASP music performance of Songlines at Maumbury Rings. They were joined by a wide range of members of the community & Year 4 pupils from other local schools. They were fabulous, great ambassadors for our school. Well done to all involved.

Today our Year 2 class have a virtual workshop with Author Venessa Taylor. Please ask your child about the experience at home.

Wanted – arm biscuits/armbands

If you have any good condition swimming arm biscuits or armbands that are no longer needed please can we ask that you would consider donating these to the school for swimming – many thanks.

Kidszone Corner

This week the children have had lots of fun dancing to Just Dance videos on the big screen, they also decorated some biscuits to eat. They have had lots of time outside on the playground & field, enjoying various games in the sunshine....and shade!

We had some beads generously donated to us, which the children have loved using to create some wonderful bracelets and necklaces. A small group of children have been busy working collaboratively to create a large cruise ship with the Lego, we can't wait to see it when it's finished.

A lot of laughs from Mrs Conway:

**What did the spaghetti parent say to the
spaghetti child?**

It's pasta your bedtime!

Have a good weekend.
