Haycorns  
Pre-School

12<sup>th</sup> February 2021

Dear Parents

You've made it, another half term is complete, Winter 2021 is one that none of us will forget! Thank you so much for everything you've done to ensure that your child has had access to learning.

As a staff we are delighted and so proud of the standard of work that our children have produced in very challenging circumstances. I know that many of you will continue to work extremely hard next week with your own jobs, we applaud you, and I do hope that you manage some respite with your families this half term.

During the next half term I would like to explore careers with our children and we know that our parents have a wide range of careers and jobs. If you would be happy to have a zoom meeting with myself, that we record, where you would talk about your career/job, please email the school office. We are looking for a wide range, so any job would be suitable, from working at the hospital, in a supermarket, being a postman, working for yourself, etc. Please let us know if you would be interested.

Sadly, we say goodbye to Mrs Morgan today, we thank her for her contribution to our school and wish her every success and happiness for the future.

Please remember that Monday 22<sup>nd</sup> February is an INSET day, remote learning begins again on Tuesday 23<sup>rd</sup> February.

Please see in the newsletter email the links to the CAFOD website, Lent begins on Wednesday 17<sup>th</sup> February. Please also find a link to the CAFOD water assembly and my assembly with Fr Barry from this week. As a school community we are going to raise money to support the water appeal, please also see the attached letter.

Have a restful half term.

Take care and best wishes

Yours sincerely

*P. Fearn*
