David Walliams audio story at 11 <a href="#">Storytime</a>	David Walliams audio story at 11 <a href="#">Storytime</a>	David Walliams audio story at 11 <a href="#">Storytime</a>	David Walliams audio story at 11 <a href="#">Storytime</a>	David Walliams audio story at 11 <a href="#">Storytime</a>
<p>1-3 RE- Please watch: <a href="#">Judaism - KS1 Religious Education</a></p> <p>This will teach you about Judaism, ready for tomorrow's activity.</p>	<p>1-3 RE</p> <p>As you learned from yesterday's bbc bite size clips Judaism is a faith of action. Think about what you and your family do to show your faith. You can record this as you choose e.g drawing a storyboard, writing a note, recording yourself speaking. You can send it to the office if you would like to.</p>	<p>1-3 Science:</p> <p>We are learning about the habitats within our oceans this half term. Today take a walk around your local environment. Look to see how many different habitats you can spot. Who lives there? Why have they chosen this place to live? How are they protecting themselves and their young? Discuss with a parent. You could take photos or a sketch book to record them.</p>	<p>1-3 DT</p> <p>This half term we are thinking of the impact of plastic on our oceans. Wash out and collect some of the plastic you have finished with in your house. We are going to use this to make a sculpture in a few weeks.</p> <p>Now research sculptures made of plastic but with an adult. Try: <a href="#">Sea sculptures made from waste</a></p>	<p>1-3 ICT: Have fun with the program on: <a href="https://www.purplemash.com">https://www.purplemash.com</a></p>
