14<sup>th</sup> October 2022

**Year 4 working as teams in adding & subtracting four digit numbers & in rugby**

Dear Parents

This week we invited parents of prospective Reception class children into St Mary's for our Open Morning. We were so pleased to see so many parents & to be able to showcase our facilities & our lovely school. A number of Year 4 children helped during the Open Morning by telling the parents about what they love about St Mary's and then walking round with them on the tours of St Mary's. They talked confidently about Trick Box & how it supports their wellbeing. How they enjoy using our swimming pool, forest school, how Kidszone works & all the trips & events that they take part in. They were all brilliant, we were very proud of them.

Thank you to Mrs Bentley & Mrs Buddin from the PTA who helped with our teas & coffees for our Open Morning.

Thank you for all the food donations for our Harvest Assembly, these will be delivered to the local food bank for the local community. We are very keen to show parents what the children have been doing with Harvest & our Laudato Si projects at our parent assembly this afternoon.

# St Mary's Catholic First School Newsletter

Our after school clubs have been running well, our Care in the Community club has been visiting the residents at Culliford House Residential Home, this week they took them cards & Halloween pumpkin pictures that they had made. The children played games with the residents and listened to Margaret, one of the residents, who told the children that she had seen a King crowned, then Queen Elizabeth II & will see our new King Charles crowned.

## Book of Remembrance

Our talented TA Mrs Hunns has made a beautiful Book of Remembrance of Queen Elizabeth II from drawings & thoughts from the children at St Mary's.

This book will be held by our Academy.

# St Mary's Catholic First School Newsletter

Thurs 17 <sup>th</sup> Nov	French Breakfast at St Mary's School – details to follow
Fri 25 <sup>th</sup> Nov	'Bling your Bike' – children to decorate their bikes & bring them into school – some prizes available for the best decorations
Mon 28 <sup>th</sup> Nov	Individual school photos being taken (plus photos with other siblings at St Mary's)
Mon 12 <sup>th</sup> Dec	PTA Christmas Shop where children can buy Christmas presents – details to follow

## Kidszone Corner

This week the children in Kidszone have been busy making & hanging Harvest & Halloween decorations. They look amazing.

The children have also been practising on TT Rock Stars with the children taking it in turns to be the Teacher.

# St Mary's Catholic First School Newsletter

This week's Kid's Corner comes from Year 4, letting us know what they have enjoyed learning & doing this week.

I enjoyed subtracting  
in power maths. I  
remember how to  
use mental  
calculations and  
column methods

Violet

I have enjoyed our  
evaporation science  
experiment where we  
put a glass of water  
by the window. We  
are observing it  
closely to see what  
happens. My  
prediction is that  
every day the water  
will go down by an  
inch.

Charlie

I like playing rugby  
and helping my  
friends.

Evelina

# St Mary's Catholic First School Newsletter

I have enjoyed writing  
a story about a polar  
bear.

Ava

**This week's 'a lot of laughs' from Year 4:**

Why can't you play games in the jungle?

Because there are too many Cheetahs!

Have a good weekend
